

METAL SHARK® HQ Conveyor for METAL SHARK® Metal Detectors

Cassel GmbH Germany | In der Dehne 10 | 37127 Dransfeld Tel.: +49(0)5502-9115-0 | Fax: +49(0)5502-9115-32 | www.cassel.de

METAL SHARK® HQ Conveyor

Cassel has installed over 5,000 metal detectors all over the world. Local technical service is available in more than 50 countries performed by factory trained service support staff. Cassel's strategy is offering our customers trustable high quality at low price (best product, best price, best service, best long-term performance).

Cassel takes great pride in engineering and manufacturing the HQ series conveyors to compliment the METAL SHARK® metal detectors. To provide optimum performance, the conveyor's design has been adapted to the special requirements of metal detectors. The high quality HQ conveyors are available in standard as well as custom-made versions. Due to the excellent manufacturing the conveyors are maintenance-free. They are suitable for permanent and reliable application even in harshest environments with highest quality standards (like in the food industry).

HQ Modular Construction System

Get a general overview of our wide rage of products, including different types of conveyors, conveyor belts, reject devices and other options. The individual choice of the components is based on the product type, dimensions of the product and its weight, packaging, belt speed as well as on other ambient conditions. For your specific demands we have the custom-made solutions on hand.

■ *Inclining Conveyor with Tappets* # 10105134, HQ-PU conveyor inclining # 10105140, Tappets on PU-belt

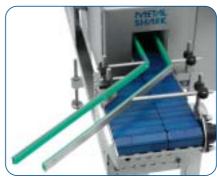

Transversal Pusher TP with PU-Belt # 10100314, Pusher TP transversal # 10100318, Photo gate reject trigger # 10100322, Reject chute

■ Bottle Conveyor JAR 1

- # 10100129, HQ-GK conveyor with Intralox belt
- # 10100386, JAR 1 option for HQ as bottle conveyor

■ Bottle Conveyor JAR 2

- # 10100129, HQ-GK conveyor with Intralox belt
- # 10100387, JAR 2 option for HQ as bottle conveyor

■ Knife Edge # 10100361, Knife edge

■ Tower Stack Lamp

- # 10100345, Tower stack lamp red/yellow/green
- # 10100333, Side rails, full length

■ Inclining Conveyor with Flexowell Wavy Edge

- # 10100502, Flexible conveyor belt with wavy edge
- # 10105140, Tappets on PU-belt
- # 10105001, In feed hopper with castors

Flash Light

10100346, Xenon flash light, red # 10100347, Tripod for xenon flash light

Stop On Detect & Alarm with PU-Belt
10100082, HQ-PU conveyor
10100306, HQ Belt control STR
10100310, Emergency stop button for STR, STL

 Stop on Detect & Alarm with Intralox Belt
 # 10100153, HQ-GK conveyor with Intralox belt
 # 10105035, Intralox belt, blue
 # 10100338, Side rails, in feed only

10100306, HQ Belt control STR # 10100328, HQ, HPW, LPW

Retractable Belt Nose Reject
 # 10100353, Retractable reject for HQ-PU
 # 10105066, HQ-LC, Drop end mobile reject bin

Linear Pusher LP
10100313, Pusher LP linear
10100318, Photo gate reject trigger
10100322, Reject chute
10100333, Side rails, full length

Air Jet Rejector AJ
10100316, Air jet rejector AJ
10105241, HPW, LPW option for AJ
10100318, Photo gate reject trigger
10250021, Air pressure monitor
10100382, Belt control KLM
10100327, Castors

■ Transversal Pusher TP with Intralox Belt
10100129, HQ-GK conveyor with
Intralox belt
10100314, Pusher TP transversal
10100318, Photo gate reject trigger
10100319, Conveyer cover
10100322, Reject chute

■ Air Jet Rejector AJ with Reject Bin # 10100316, Air jet rejector AJ # 10100318, Photo gate reject trigger # 10250021, Air pressure monitor # 10100319, Conveyor cover # 10100320, Reject bin # 10105022, Reject control + bin full

 High Pressure Wash Down (Option for HPW), IP 67
 # 10100129, HQ-GK conveyor with Intralox belt

10100309, HQ belt control HPW # 10100328, HPW, LPW option for conveyor HQ

10100314, Pusher TP transversal # 10100315, HPW, LPW Option for TP # 10100318, Photo gate reject trigger

10050225, HPW option for BD

■ Height Adjustment by Gas Spring # 10100129, HQ-GK conveyor with

Intralox belt
10100325, Intralox S 900 flat top, short

10100548, Conveyer height adjustment by gas spring

10100333, Side rails, full length

10100345, Tower stack lamp red/yellow/green

10100327, Castors

Metal Detection, X-Ray and Weighing-Systems

As a manufacturer Cassel is committed to highest standards of quality. For more than ten years our goal has been to ensure the quality of your products. Our reputation has been earned by protecting yours. We supply customers in different industries worldwide such as Foods, Plastics, Pharmaceuticals, Textile, Timber and Mining.

Our headquarters and state of the art manufacturing facility are located near Hannover in the heart of Germany. Each year we manufacture and deliver over 1000 metal detection systems. Approximately 80% of the production is heading for export markets. To ensure you get the very best of service and support wherever on the globe you are using our metal detectors, we have a worldwide network of partner agents.
